

Gadgets and Tech

PUBLISHED WITH **Evening Standard** TUESDAY 19TH FEBRUARY 2019

Gadgets and Tech is a full-colour, tabloid sized double-page spread of advertorial content published in *The London Evening Standard*.

The *Evening Standard* reaches smart opinion formers in and around London, with the paper read by a predominantly upmarket and tech-savvy audience who are working in professional occupations. *Gadgets and Tech* will therefore serve as an essential guide for these readers to discover how to live an easier life with the latest tech trends and devices.

It will showcase a high-quality selection of products to benefit these readers, ranging from the best and most up-to-date apps, kitchen and domestic gadgets, computing, gaming, audio and hi-fi products, security options and home automation systems.

Gadgets and Tech is the perfect shop window for brands and organisations to benefit from an affluent, educated audience, who, when presented with accurate, reliable information, are highly suggestible to purchasing new products and services.
