

THE Valentine's Day CHECKLIST

Find the perfect gift for somebody special in your life

AT T H BAKER WE HAVE an exclusive 1888 collection of certified diamonds. Each diamond in the 1888 collection is handpicked and carefully selected by the fifth generation of our family business. This ensures the best quality for the best possible price.

Each selected diamond is then independently certificated. Using the finest precious metals, our skilled craftsmen in central Birmingham then make the ring by hand and set the stunning diamond to create the perfect piece. The ring is then meticulously inspected once more, as only the most brilliant diamond in an absolutely perfect setting will pass quality control to feature in the 1888 collection.

The perfect way to toast the one you love

WHAT'S THE PERFECT APHRODISIAC? We think there's nothing better than a delicious glass of sparkling wine. The pop of the cork followed by the fizz of the bubbles in your mouth create the perfect feeling of luxury and excitement, sure to give Cupid a run for his money.

This year, why not celebrate with a bottle of Corney & Barrow's Sparkling Blanc de Blancs? This elegant, delicate sparkler is made in the traditional method, and aged for 12 months on its lees for a beautiful creamy texture.

Aromatic and perfumed on the nose, the crisp apples, white blossom and light brioche notes combine on the palate for the ideal refreshment.

With two royal warrants and over 235 years of experience, Corney & Barrow Own Labels guarantee best in class, handpicked by the experts. And at just £12.95 a bottle, it's impossible not to feel sparkly yourself.
