### SPONSORED ARTICLE EXAMPLE

#### Vision ERP

As all good leaders know, structural or technical change in any organisation must be managed well. Yet change is often a stressful and protracted experience.

Vision ERP brings its friendly, open and honest approach to advise on and implement system changes in a range of industry-specific settings. Its experts understand the ways new systems should be adopted into existing organisational dynamics to ensure transitions are smooth and as pain free as possible.

The Birmingham-based firm is a go-to-market partner of software vendor Unit4, which provides finance, procurement, HR and IT leaders with the digital capabilities they need. It specialises in guiding mid to large-sized organisations in its UK adoption, including ERP (enterprise resource planning), talent management and FP&A (financial planning and analysis) software.

Vision ERP works extensively and successfully with the public sector, not for profit, higher education, Blue Light and professional service organisations, but can work flexibly with other business settings too.

Having worked with clients on software change projects, Vision ERP is mindful of often limited budgets and can offer ongoing support to ensure continued, cost-effective service.

If you are considering options for your corporate back-office ERP system, complete Vision ERP's online form for a free consultation at [www.visionerp.co.uk](https://www.visionerp.co.uk).
