The **Pets Checklist** is a native feature of five sponsored articles published on the *DailyMail.co.uk* homepage. It initially appears as one of the first ten articles on the sidebar **1** and is guaranteed a minimum of 12,000 unique views, after which the article is also promoted by way of 5 million ad-site traffic drivers **2** in content relevant locations to users who have an interest and/or buying intent in the subject matter.

The *DailyMail.co.uk* is one of the world's largest English-speaking newspaper websites, with more than 252m unique browsers around the world. The Femail page of *DailyMail.co.uk* boasts a young, affluent readership, with 69% aged between 15-44 and 65% who are ABC1. The **Pets Checklist** serves as the essential guide to help pet owners make informed choices that support the health, happiness, and wellbeing of their animals.

Curated by an experienced team of *DailyMail.co.uk* copywriters, the **The Pets Checklist** showcases a high-quality selection of products and services for pets and their owners, ranging from food options, veterinary care, training classes, grooming equipment and services, charities, insurance, equine pursuits, exotic/tropical animals, pet-friendly hotels/restaurants and toys and accessories.

The **Pets Checklist** is the perfect shop window for brands and organisations to benefit from a highly engaged audience who are looking for ways to keep their animals healthy and happy and, crucially, the gravitas of being featured on one of the world's most visited websites.

Looking after every member of the family

Give your pet a little extra care with VetPlus (Image: VetPlus)

Pets are a huge part of the family and deserve to be able to enjoy life to the maximum.

For more than 30 years, VetPlus has worked tirelessly to aid this, developing high-quality nutraceutical products that support pet health and wellbeing.

These products are supplements made from natural ingredients which are said to provide health benefits beyond basic nutrition.

More than 90% of products are produced in-house in Lancashire, having to pass through at least 16 quality checks before being released to vets and subsequently customers.

VetPlus is available in more than 50 countries worldwide, providing a full range of products including Synoquin, a joint supplement formulated to help maintain healthy cartilage and support the natural systems that control inflammation; Calmex, to support a calm demeanour; and Sustain, a long-term gut and immune health aid.

Find out more at vetplusglobal.com and speak to your vet about VetPlus products.
