Start off your new year with a white smile

Our smiles are one of the things people notice first about us - so make sure you're stepping into the new year with teeth that are ready for their close-up.

Luckily for us, Beverly Hills Formula have a new and improved Professional White Range. The range includes Professional White Black Pearl Whitening, with its new advanced formula which contains Activated Charcoal to help eliminate bacteria causing bad breath. This is combined with professional whitening ingredient (PAP) Advanced Pyrophosphates, Hydrated Silica and Pearl Powder, to help remove surface and deep stains without harming the enamel.

Meanwhile, their newly launched Professional White Advanced Silver Whitening. Ingredients include Nano-Silver, Hyaluronic Acid and professional whitening ingredient (PAP) - which all help to achieve strong antibacterial and anti-plaque action. Now, that's something to smile about!
