Icelandair

For many who love to travel, the journey is as much a part of the adventure as the destination. With Icelandair, you can have the best of both.

As well as transporting curious visitors to the extraordinary sights and experiences of its home country, Iceland's flagship airline and its Reykjavik Hub connect travellers from major European cities like London and Paris to North American destinations such as New York, Orlando and Toronto.

Linking the two aspects of this service is the airline's Stopover in Iceland option. This allows travellers to enjoy up to seven days exploring Iceland's phenomenal landscapes with no additional airfare. From the mesmerising northern lights to the geothermal wonder that is the Blue Lagoon, taking a mid-journey break like this transforms a standard trip into an unforgettable experience.

Icelandair is also adding new routes – the latest is Nashville – making travel to North America even more convenient. Whether for leisure or business, booking through the airline's website ensures a seamless experience. Perfect for discovering Iceland and beyond!
