The villas of Château de Berné

In the heart of France's Haut-Var, the seven luxurious villas at Château de Berné offer an exceptional escape. Here, you wake to the song of the cicadas and, by evening, drink a glass of rose in the golden Provençal light.

Set within a beautifully maintained 500-acre estate, each villa combines the charm of a French country house with the comfort and privacy of a contemporary home, plus the service you would expect from a five-star Relais & Châteaux hotel.

Each villa has a choice of features, which vary from property to property - a cinema room, a rooftop terrace or a pool room, for example. With a variety of bedroom combinations, they are designed for families or groups of friends, providing space for gathering and relaxation, with tree-shaded terraces opening onto private gardens and secluded pools.

Each villa also has a dedicated butler and the estate's concierge can arrange a wide variety of activities and excursions. Guests can also enjoy and explore the estate's exclusive facilities: a Michelin-star restaurant, a Spa Cinq Mondes and Vinesime, a 150-acre organic vineyard, olive groves and forest paths.
